A bronze cast of his face, wearing the artist's glasses, mocks the tradition of memorializing great men with death masks. The cast is cushioned in newsprint like a corpse in a coffin. Autoportrait suggests an artist entombed in his reputation and belies Man Ray's brave assertion " I simply try to be as free as possible - The work is done.

"Autoportrait" is a physical, psychological, sexual, political, and philosophical triumph. Beyond "sincerity," Lev? works toward an objectivity so radical it could pass for crudeness, triviality, even banality: the author has stripped himself bare. With the force of a set of maxims or morals, Lev?'s prose seems at first to be an autobiography ...

By Jan Steyn. Self-portraiture occupied the French photographer and novelist Edouard Levé throughout his career, but his third novel, Autoportrait, remains his most thorough and sustained attempt in that direction.Levé was the author of only four works of fiction - Oeuvres (2002), Journal (2004), Autoportrait (2005) and Suicide (2008) - each highly experimental, each marked by a ...

A self-portrait is a representation of an artist that is drawn, painted, photographed, or sculpted by that artist. Although self-portraits have been made since the earliest times, it is not until the Early Renaissance in the mid-15th century that artists can be frequently identified depicting themselves as either the main subject, or as important characters in their work.
