Why Effective Business Communication Is Important

The way you look, listen, move, and react to another person tells them more about how you're feeling than words alone ever can. Nonverbal communication, or body language, includes facial expressions, body movement and gestures, eye contact, posture, the tone of your voice, and even your muscle tension and breathing.

Why Face-To-Face Meetings Are So Important

Simple speaking is verbal communication. Seeing the person with whom face-to-face communication is taking place helps in gauging the response of that person by understanding their body language and also assists in active participation of the dialogue. Thus, written as well as oral communication are the two main types of verbal communication.
