Communism (from Latin communis, 'common, universal') is a philosophical, social, political, economic ideology and movement whose ultimate goal is the establishment of a communist society, namely a socioeconomic order structured upon the ideas of common ownership of the means of production and the absence of social classes, money and the state.. Communism includes a variety of schools of ...

Communism - Wikipedia
Communism, political and economic doctrine that aims to replace private property and a profit-based economy with public ownership and communal control of at least the major means of production (e.g., mines, mills, and factories) and the natural resources of a society.

communism | Definition, History, Varieties, & Facts ...
Thanks to the collapse of communism the political antithesis between Left and Right is less important. The whole apparatus of communism was already falling apart. Marx was the progenitor of communism. There are few true believers in communism left in the party.

COMMUNISM | meaning in the Cambridge English Dictionary
Communism is an economic system where the group owns the factors of production. In countries, the government represents the group. The means of production are labor, entrepreneurship, capital goods, and natural resources. 1 ? Although the government doesn't legally own the labor force, the central planners tell the people where they should work.

Communism: Definition, Pros, Cons, Examples, Countries
In theory, under communism, all means of production are owned in common, rather than by individuals (see Marxism and Marxism-Leninism). In practice, a single authoritarian party controls both the political and economic systems.

Communism | Definition of Communism at Dictionary.com
Communism is a socio - economic political movement. Its goal is to set up a version of society where the factories and farms are shared by the people, and would not have rulers or money.

Communism - Simple English Wikipedia, the free encyclopedia
Communism is a type of government as well as an economic system (a way of creating and sharing wealth). In a Communist system, individual people do not own land, factories, or machinery. Instead, the government or the whole community owns these things. Everyone is supposed to share the wealth that they create.

communism - Kids | Britannica Kids | Homework Help
Simply put, communism is the idea that everyone in a given society receives equal shares of the benefits derived from labor. Communism is designed to allow the poor to rise up and attain financial and social status equal to that of the middle-class landowners.

How Communism Works | HowStuffWorks
