What is Copy9? Copy9 is all-in-one monitoring solution for Parents and Employers for smartphones that allows Parents or Employers to monitor text messages, calls, current GPS location, Viber, WhatsApp and much more. Everything that is being typed, sent as a message, received or deleted will be presented to you in your user control panel.

All the information from the target phone is collected by Copy9 and transferred to your Control Panel, which you get access to after subscribing to Copy9. You can then remote control the target phone. For this you'll need complete unrestricted access to the target phone, and you'll also have to certify that you're using the app legally.
