Orientalism - Wikipedia

In Edward Saids influential book Orientalism a convincing framework is offered. It is argued that western discourse on the East (Orient) is based on a long Eurocentric tradition of prejudice and misinterpretations. According to Said, this "orientalism" served a political system of imperialism, lasting almost two centuries.

Orientalism In English Literature Perception Of Islam And

Orientalism is a 1978 book by Edward W. Said, in which the author establishes the eponymous term "Orientalism" as a critical concept to describe the West's common, contemptuous depiction and portrayal of "The East," i.e. the Orient. Societies and peoples of the Orient are those who inhabit the places of Asia, North Africa, and the Middle East.
